Overall: TN operates under a CMS Medicaid waiver program, TennCare, to provide medically necessary health care services to individuals that are Medicaid eligible and others who meet specific criteria as uninsured and uninsurables. The behavioral health care component of TennCare is the TennCare Partners Program, which provides clinical MH and SA services. Data from other non-clinical programs contracted with the SMHA, CMHS block grant, and other federal dollars are not included in this table. For FY03, all data contained in this table are limited to persons receiving services through the TennCare Partners Program.

Overall TN operates under a CMS Medicaid waiver program, TennCare, to provide medically necessary health care services to individuals that are Medicaid eligible and others who meet specific criteria as uninsured and uninsurables. The behavioral health care component of TennCare is the TennCare Partners Program, which provides clinical mental health and substance abuse services. Data from other non-clinical programs contracted with the State Mental Health Authority, CMHS block grant, and other federal dollars are not included in this table. For FY03, all data contained in this table are limited to persons receiving services through the TennCare Partners Program.

TN operates under a CMS Medicaid waiver program, TennCare, to provide medically necessary health care services to individuals that are Medicaid eligible and others who meet specific criteria as uninsured & uninsurables. The behavioral health care component of TennCare is the TennCare Partners Program, which provides clinical MH/SAS. Data from other non-clinical programs contracted with the State M.H.Authority, CMHS block grant, and other federal dollars are not included in this table. For FY03, all data contained in this table are limited to persons receiving services through the TennCare Partners Program.
